

CAMP CROSS KID'S MINISTRY

Come Dream Team With Us!

Do you have children in Camp Cross? Do you love kids? Do you want to get involved and be an awesome dream-teamer but you do not know where to begin? Join the Camp Cross Dream Team!

What Does a Typical Sunday Look Like?

We have a few minutes of play before the service starts, this is where you can talk to the kids, play with them, and start building relationships! Then we have a worship time led by our very own kid worship team, an engaging large group lesson, then we break off into small groups by grade level. At your small group table, you will delve deeper into the Bible story with activities that are already planned for you. After our small group time is over, we rejoin as a large group to watch a video clip on our lesson and then we play while waiting for parents to return. We would love to add new members to our team that can lead a grade level of their choice in some lessons, activities, and crafts on Sundays!

What Will I Have to Do?

We typically ask our Dream Teamers to commit to two Services per month. This way, you start to build relationships with the children and other Dream Teamers just like you. While you are serving in Camp Cross, you will dance and sing, play games, learn more about the bible, teach kids how to pray, and ultimately help the children develop personal relationships with God, all while having fun! Plus, you get to be a part of an amazing team that is making a difference in the lives of Children and their families!

Come Dream Team With Us!

Do you have children in Camp Cross? Do you love kids? Do you want to get involved and be an awesome dream-teamer but you do not know where to begin? Join the Nursery & Preschool Team!

What Does a Typical Sunday Look Like?

On Sundays, our role is to create positive relationships with the babies and preschoolers who come into the Nursery and Preschool class. We want our babies and preschoolers to be comfortable coming to church, so that their parents can enjoy service and get filled up spiritually. We nurture, play, sing/worship, and learn about God. We would love to add new members to our team that can love on our babies and preschoolers while also helping them build a firm foundation in God.

What Will I Have to Do?

We typically ask our Dream Teamers to commit to two services per month. This way, you start to build relationships with the children, parents and other Dream Teamers. This also creates a familiar and consistent environment for our parents, babies and preschoolers. While you are serving in the Nursery/Preschool, you will dance and sing, play games, help teach manners, teach kids how to pray, teach children about the bible through crafts and ultimately help the children learn more about God, all while having fun! Plus, you get to be a part of an amazing team that is making a difference in the lives of children and their families!
