Sermon Title: Choose Joy

Sermon Series: Godconomy

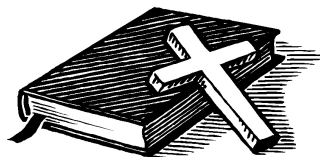

Sermon Scripture: Philippians 1

Sermon Synopsis: God never promises us an easy life. In fact, as His followers, we are to expect persecution and suffering. But what would take others down in this world will not take us down. No matter what happens in this world, whether good or bad, we have the opportunity to choose joy because we know that whatever we are going through is temporal and God has great plans for us.

How is joy different from happy?

THINK & READ

Describe a time where you didn't have joy?

Zach said the first key to choosing joy is to stop asking why. When have you asked "why" in the past? Do you think you still need to know the answers to the "why" questions?

Zach said that every one of your bad days is a new opportunity. Agree or disagree...

What's most important in choosing joy is refocusing on what matters. What really matters in your life?
