

# DIG DEEPER STUDY GUIDE

**Sermon Title:** The Charcoal Change

**Sermon Series:** Stand Alone Sermon

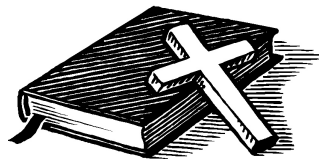

**Sermon Scripture:** John 21:4-9

**Sermon Synopsis:** To truly change, one must encounter Jesus Christ for themselves. In this week's standalone message, Jesus meets Peter at his weakest moment to not only forgive him, but to restore his identity. It wasn't until Peter was met by Jesus by a charcoal fire that he became the courageous follower of Christ that we know him to be today.
